CE

Chain saw **BKS 45-2**

Compact and powerful petrol chainsaw for versatile use.

- Full freedom of movement without annoying cables;
- the electronic ignition provides a stable spark, so that the chain saw runs optimally and quietly;
- with anti-vibration system - vibrations on the handles are reduced and enable fatigue sawing;
- with automatic chain lubrication, which reduces wear on the saw chain and guide bar and ensures smoother running;
- Walbro carburettor for a long service life, integrated overload protection automatically shuts down the chainsaw, preventing damage to the engine and transmission;
- robust claw fence and tree felling handle made of metal;
- + low-vibration and durable Oregon quality saw chain for best working results;
- + including guidebar protection for safe storage and transport;
- + fuel mixing tank and assembly and maintenance tool.

Tool-free fuel filler cap and inspection window

...the DLRG OG Büren e.V. also shows strength and uses products from the ATIKA portfolio

tree felling handle

Chain saw

BKS 45-2

Order-no.	302281
Petrol engine (EUV)	45.1 cm ³
Motor power	max. 1.8 kW
Length of chain bar	approx. 445 mm
Cutting length	approx. 430 mm
Cuting speed	21.2 m/sec
Saw chain (low-kickback)	3/8" - 1.5 mm half chisel, 72 driving links
Fuel tank capacity	500 ml
Petrol mix ratio (petrol / two-stroke oil)	40:1
Oil tank capacity for chain lubrication	240 ml
Ignition	electronic
Guaranteed sound power level L _{WA}	113 dB(A)
Sound pressure level L _{PA}	102.4 dB(A)
Measurement uncertainty K _{LWA/LPA}	2.5 dB(A)
Hand-arm-vibration hinten a _{vhw}	11.5 m/s ²
Measurement uncertainty K	1.5 m/s ²
Anti-vibrations-system	✓
Incl. chain protection, maintenance tools	✓
Weight	approx. 6.7 kg

Logistic data

	480 x 270 x 310 mm
	approx. 7.9 kg
	500 x 480 x 290 mm [PU 2]
	approx. 16.6 kg

Technical modifications reserved.
