

ATIKA®

Handheld agitator **RW 1400**

The all-purpose stirrer from the Atika series.

Practical and easy handling with 2-speed gearbox.

Suitable for the production of mixes up to 65 litres.

CE

Handheld agitator **RW 1400**

Easy and handy operation - for mixing larger quantities of up to 90 litres.

- Safe and effort-saving operation thanks to the large ergonomic handle with integrated controls;
- safe working, because the switch-on lock prevents the mixer from being switched on unintentionally;
- the infinitely variable speed regulation guarantees low-splash mixing, depending on the quantity and type of mixing material to be processed;
- the powerful 2-speed gearbox and the mortar stirrer whisk guarantee optimum mixing at slow & fast speeds;
- the die-cast aluminium housing protects the gearbox;

+ with two assembly keys;

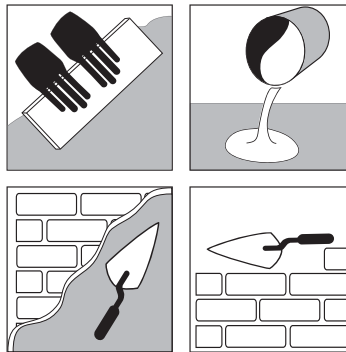

+ Including mortar stirrer whisk with a diameter of 120 mm.

ergonomic designed handle

With mortar stirrer: for liquid and powdery mixing materials - with heavy consistency: e.g. paints, varnishes, fillers, cement, plaster, lime, concrete, screed, etc.
