

Accessories for Minidumper BMD 300

With the flatbed attachment, the Minidumper is quickly converted into a flatbed truck.

The foldable loading ramp can be transported quickly and easily with the Minidumper.

Towing hitch with ball and eye for easy towing of e.g. Trailers.

The flatbed attachment is the ideal solution for complicated & oversized loads such as concrete blocks, cement bags, etc.

Easy to assemble thanks to perfectly matched components. The loading ramp is also ideal for filling containers.

The snow blade converts the Minidumper into a motorised snow plough.
